Aire-Master brings you the best-kept secret of big companies and most neglected tool in marketing—scent branding! Our Scent Branding Service can play a vital role in helping your brand create a lasting impression on your customers.

We’re able to bring our Scent Branding service to any size area—from small interior spaces to large indoor environments. We’ll guide you in selecting the right fragrance that fits your brand perfectly.

**Benefits of Scent Branding**
- Creates a great first impression
- Increases brand recall and recognition
- Customers linger longer to spend more

**How Aire-Master Scent Branding Service Works**
We take care of everything you need to enhance your brand experience. There’s nothing for you to do!
- Service schedule that works for you
- No equipment to buy
- We maintain and service equipment

Boost your brand’s impact through the power of scent!
We have a wide variety of fragrances in eight themes to complement your business

1. Calming
   - Relaxing and soothing aromas to center the mind and body
   - Fragrance Examples: Dark Vanilla, Green Tea, Lemongrass, Lavender

2. Exotic
   - Luxurious fragrances from the tropics
   - Fragrance Examples: Black Bamboo, Golden Mango, Tahitian Sunset

3. Fresh
   - Experience deep, clean fragrances of crisp mornings and sunlit fields
   - Fragrance Examples: Clean Cotton, Fresh Air, Summer Breeze

4. Fun
   - Relive the fun of childhood with the fruity smells of mouth-watering nostalgia
   - Fragrance Examples: Cherry Berry, Fruit Slices, Juicy Melon

5. Inviting
   - Bring the outdoors indoors with our warm and sensual fragrances
   - Fragrance Examples: Golden Bamboo, Green Tea, Woody Path

6. Romantic
   - Sweet floral scents that evoke nostalgic memories reminiscent of days gone by
   - Fragrance Examples: Floral, Pom Springs, White Tea & Thyme

7. Uplifting
   - Invigorating fragrances that wake up the mind and stimulate the senses
   - Fragrance Examples: Blue Agave, Eucalyptus Spearmint, Grapefruit Zest

8. Welcoming
   - Inviting aromas from Grandma’s kitchen of nourishing warmth and homemade goodness
   - Fragrance Examples: Grapefruit Vanilla, Harvest Spice, Pumpkin Spice

How It Works
Every Aire-Master fragrance works on three levels:
- **Top notes** create the initial impression of the fragrances.
- **Middle notes** create the main theme.
- **Base notes** bring depth and solidify the fragrance.

*Each fragrance is a proprietary blend of natural essential oils and fine aromatic compounds. Contains no petroleum carriers or harsh propellants.

Find all these fragrances and much more at: www airemaster com/services/scent-marketing/
Aire-Master is best known for excellence in odor control. We tackle tough airborne and surface odors with our own unique products and deodorant dispensing systems. Aire-Master pioneered the development of a deodorant that kills odors at the molecular level instead of covering them up.

To maintain the quality of our core products, we manufacture them ourselves right here in the heart of America.

Benefits of Odor Control
- 24-hour protection against bad odors
- Complements your daily cleaning
- Projects an image of quality and cleanliness
How Aire-Master Odor Control Service Works

Whether your space is small or large, we’ll evaluate your odor problems and offer a solution that eliminates them.

- No equipment to buy
- We install a deodorizing system and maintain it

No matter your space size, we have a scent dispenser for you.

**Small Spaces**
The D1000, our small space deodorizer is perfect for restrooms as well as offices, entries, hallways, small lobbies, waiting areas, and elevators.

**Medium Spaces**
The D2000 and D2500 easily handle meeting rooms, large lobbies, waiting areas, and retail spaces.

**Large Spaces**
Our D3000, D4000, and D4500 programmable diffusers are designed for large indoor environments and big entertainment venues.

*Surface odor problem? Ask about our specialty services or see page 14 for products that can be used on any surface.*

Odor buster deodorant bars

The deodorant bars used in our D1000 and D2000 are made from recycled materials. They are environmentally safe. The product used is compliant with VOC standards. Each fragrance is a proprietary blend of natural essential oils and fine aromatic compounds.
Customers appreciate a well-stocked restroom with great performing hand soaps. It leaves a positive impression and shows you value them.

Aire-Master’s Hand Care Service delivers the best in paper products, hand soaps and sanitizers, and dispensers that your customers will notice and appreciate. We take care of it all so there’s nothing for you to do!

85% of germs are transmitted by the hands.

How Aire-Master Hand Care Service Works

We’ll provide you the best in hand soaps and sanitizers to help your customers and employees stay clean and stop the spread of germs. We’ll make sure you don’t run out!
• We offer pH-balanced hand soaps, antibacterial soaps, and hand sanitizers.
• We install and maintain each dispensing system.
• We fill dispensers on each service visit.

We’ll help you choose the right hand soap and sanitizing system for your needs. We have attractive dispensers* for general purpose and antibacterial soaps, hand sanitizers, and cost-saving foams.

*For more Hand Soap and Sanitizer Dispenser options, go to www.airemaster.com/services/hand-care
Many customers assess your standard of quality based on the cleanliness of your restrooms. Aire-Master provides services for in-depth cleaning for hard-to-reach areas where germs breed and odors develop.

We also destroy bacteria with EPA registered, hospital-grade disinfectants that are safe for use on all surfaces.

**How Aire-Master Cleaning Service Works**

Aire-Master’s Cleaning Service uses powerful cleaners to eliminate all the tough grime and odor sources in your restrooms. Let us tackle the tough stuff and free your staff to focus on daily cleaning.

- We remove tough, built-up soils and stains.
- We deep clean fixtures to help fight odor and germs.
- Other services include cleaning floors, walls, and partitions.
Our aggressive deep-cleaning service solutions:

**Fixture Service**
We’ll give your fixtures—sinks, toilets, and urinals a deep cleaning using our own exclusive cleaners that leave them shining like new!

**Partition Service**
Each service visit, we’ll apply our stainless steel cleaner to remove soil splatters, drips, and stains. Let us save you time on your daily cleaning.

**Floor and Wall Service**
We provide deep cleaning for floor and walls to remove built-up soils, stains, residue, and grease from tile and grouting. Soils and odors are removed, leaving your restroom floors odor free, safe, and dry. *(Not available in all areas.)*
Disinfecting Service

We find and remove soils that breed germs and odors with EPA-registered disinfectants. These hospital-grade disinfectants safely eliminate bacteria on fixtures and all touch surfaces.

See page 18 for our Daily Disinfectant Maintenance kit.

Electrostatic Disinfecting Service

Aire-Master will customize a program for you that safely disinfects and treats all your touch surfaces against bacteria and viruses, including the coronavirus. Our trained and certified Aire-Master rep will use an electrostatic sprayer (E-Spray) on all your touch surfaces.

- E-Spray creates a positive “double” charge so disinfectant has greater coverage and adhesion to surfaces.
- EPA-registered disinfectant kills germs, bacteria, fungi, and viruses.
- We provide you signage to let your customers know your surfaces have been disinfected.

Get Electrostatic Disinfecting service from the Certified Professionals!
Additional Services:

**Baby Stations**
Each service visit, we will clean all surfaces of these changing tables, removing soils—using hospital-grade disinfectants to eliminate bacteria and germs.

**BioEnzymatic Treatment**
Each service period Aire-Master will spray *You’re N Control® Bio/Enzymatic Deodorant* around toilets, urinals, and other fixtures. Its powerful enzymes eat away at organic waste such as urine, feces, vomit, and blood. Leaves a fresh clean scent.

**Pottie Blue**
This product is placed in the toilet’s tank each service period to reduce soil build-up in the tank and bowl. Contains deodorants, detergents, water conditioner, and blue coloring.

**Urinal Screens**
Our Wave Urinal Screens with fresh fragrances use enzymes to help stop clogs. We will install and replace regularly.

**Venus Urinal Shield**
This domed shield fits over urinal traps and keeps drains from clogging. Contains enzymes and detergent to reduce soils and help clean surface, interiors and drains. We will install and replace regularly.

**Urinal and Commode Mats**
These effective mats absorb urine splashes and drips around urinals and toilets. Helps prevent bad odors while protecting floors from stains. We will install and replace regularly.
Studies show that paper towels are more sanitary than other drying methods.* We help you make a great impression on all your customers by making sure your restrooms always have the paper supplies they need. You’ll never have to worry about running out.

We have just the right quality paper and dispensers to meet your restroom demands—no matter how large or small.

How Aire-Master Paper Service Works
Aire-Master’s Paper Service offers you the best in paper and dispensers. We will keep you well stocked, you don’t have to do anything.

- We install and maintain equipment.
- We restock with each service visit.
- We also have facial tissues, toilet seat covers, feminine sanitary products, and can liners.

Paper is still the safe, renewable resource that people prefer.
Keep customers happy with a well-stocked restroom!

**Toilet Tissues**

- **Standard Rolls** - 2-ply, 500 sheets
- **Jumbo Rolls** - 2-ply, 1,000 foot rolls

**Toilet Tissue Dispensers**

- **A. Single Tissue** - Holds one jumbo roll
- **B. Micro Twin** - Holds two standard rolls
- **C. Twin Tissue** - Holds two jumbo rolls

**Paper Towels**

- **D. Multifold**
  - 250 sheets, natural and white
- **E. Centerpull**
  - 520 sheets, white

- **G. Roll Towels (Automatic)**
  - 350’, 600’, and 800’ lengths

**Paper Towel Dispensers**

- **D. Multifold Towel** - Holds up to 540 multifold and C-fold towels
- **E. Centerpull Towel** - Single sheet dispensing
- **F. Roll Towel (Lever)** - Large capacity, rolls up to 800’ length
- **G. Roll Towel (Automatic)** - Large capacity, rolls up to 800’ length

*For more information on paper towels -vs- dryers, visit: [www.airemaster.com/category/paper](http://www.airemaster.com/category/paper)*
Air and Surface

**BLAST Kit**
*Blue Lagoon® Area Spray Treatment*
Kit contains a quart of concentrated Blue Lagoon and pump sprayer for 3-5 full tanks of ready-to-use deodorant. Unique spray tip allows Foam, Mist, or Stream selections. For use on all surfaces.

**Blue Lagoon®**
*Super Concentrated Deodorant*
Aire-Master’s premier liquid deodorant! Contains citronella to repel insects including fleas and flies. Spray on most fabrics and surfaces, add to laundry, pour into floor drains to reduce sewer odors, and add to mop water when cleaning floors. Highly concentrated, makes up to 32 gallons ready-to-use deodorant.

**Summer Breeze**
*Concentrated Liquid Deodorizer*
Freshen just about anything by spraying freely on any water-safe surface. Remove tobacco, food, and pet odors. Safe around children and pets. Leaves a light, fresh scent. Highly concentrated, makes up to 32 gallons ready-to-use deodorant.

**You’re N Control**
*Bio/Enzymatic Deodorant*
Powerful, rapidly multiplying enzymes eliminate odors caused by organic waste such as urine, feces, vomit, blood, and even skunks. Ready-to-use on fabrics and hard surfaces. Safe for use around children and pets.

**Odor Neutralizing Fogger**
*Total Release or Intermittent Spray*
Effective against odors associated with cooking, body odors, smoke, tobacco, decay, trash, urine, feces, and pet odors. Treats 6000 cubic feet. VOC compliant. Pleasant, clean linen fragrance.

**Tropic Breeze**
*Air & Fabric Deodorizing Spray*
A dry, non-staining spray eliminates odors on carpeting, upholstery, draperies, and clothing. Neutralizes tobacco smoke. Island fragrance of mango, papaya, and coconut.
Hand Sanitizers
FDA registered hand sanitizer gel and foam kills 99.9% of germs in seconds! Evaporates quickly leaving no residue. Contains moisturizers and leaves a light, pleasant fragrance. Available in a variety of sizes.

Paw Wash Hand Soaps
Generous lathering, pH-balanced hand soaps in Honey Almond or Coconut fragrances. Contains moisturizers to soften hands.

Foam Hand Soap
General purpose lathering, pH-balanced foam hand soap. Contains moisturizers and comes in a light floral fragrance.

Antibacterial Hand Soap
Fast-acting, antimicrobial hand soap with moisturizers and BZK (Triclosan-FREE). Kills staph and other germs on contact. Effective in removing bacteria from hands. Kiwi basil fragrance.

Pumice Hand Soap
Cleans dirty, greasy hands without harsh chemicals. Contains hand-cleaning scrubbers for ground in dirt and grime. Ideal for automotive shops and painters. Comes in a light citrus scent.
**Step Safe Industrial Strength Concentrate**

Helps reduce the risk of slips and falls in kitchens caused by cooking grease on floors. Contains grease-eating enzymes that continue to work long after floor is dry. Simply use bucket, mop, and squeegee.

**Floor Wash**

Our concentrated, general purpose floor cleaner provides the cleaning power of orange oil. Quickly removes grease, oil, wax, tar, and grime from floors. Excellent for removing urine from tile and grout. Contains gentle cleansing peroxide.

**Super Floor Wash**

Our concentrated, acid floor cleaner quickly removes grease, oil, wax, tar and dirt from floors and walls. Low-foaming formula features fast-acting mild acids that are safe on floor tile, plastic drain pipes, septic and sewer systems. Use for the toughest floor and wall cleaning jobs.
Stainless Steel Cleaner
Nonabrasive cleaner removes tough soils, smudges, stains, oil, and fingerprints. Protects with thin coating that resists further soiling.

Fixture Polish
Give restroom fixtures a like-new shine. For use on toilets, urinals, sinks, dispensers, and chrome.

White Lightning
Thickened, mild phosphoric acid-based bowl cleaner with special whitening agents. For use on toilet fixtures, tile, showers, fiberglass, and chrome.

Husky Non-Acid Cleaner 325
Thickened bowl and bathroom cleaner disinfects and deodorizes. Safe to use on chrome and sinks.

Husky Super 303
Powerful acid bowl cleaner for first-time cleanings and tough jobs. For use on vitreous china surfaces only. Do not use on chrome or metal.

Husky 430 Creme Cleanser
Cleans hard surfaces without scratching. Removes lime, mineral deposits, and stains.

Super Degreaser
*Industrial Strength Concentrate*
Removes grease, oil, wax, tar, and dirt. For use on all water-washable, hard surfaces. 1 gallon of concentrate can make up to 32 diluted ready-to-use gallons. Also for use in carpet and floor cleaning equipment.

Splash Guard
Seals, protects, and keeps soils from adhering to surfaces. It won't crack, discolor, or build up.

Splish Guard
Seals, protects, and keeps soils from adhering to surfaces. It won't crack, discolor, or build up.

Looking for a cleaning system that tackles it all and saves time and money? See pages 20–21.
Disinfecting Solutions

We arm ourselves with the best disinfectants and dispensing equipment to get the job done right. Our disinfectants are EPA-registered and ideal for countertops, kitchen appliances, tables and chairs, desks, bathroom surfaces, locker rooms and showers, and all other non-porous touch surfaces.

Bioesque Botanical Disinfectant

Our new Botanical Disinfectant is ready-to-use and approved for use against the Coronavirus. This no-rinse formula is safe even on food-contact surfaces.

- Safe around children and pets.
- No PPE needed when using this product. *(We still recommend wearing eye protection and some type of a mask.)*
- Kills cold and flu viruses.
- For use in pump, bottle, and electrostatic sprayers.

Daily Disinfecting Maintenance

*Stay disinfected in-between Aire-Master Service*

Stay on top of disinfecting your high-traffic surfaces in-between Aire-Master’s Electrostatic Disinfecting Services. You’ll receive a pump sprayer with the same EPA-registered disinfectant we use! We also include “Disinfected” signage to display.

Husky® 892 Arena Plus Disinfectant

This EPA-registered, concentrated disinfectant cleaner with detergent is for general cleaning of hard surfaces. Contains detergents and germicides that kill germs, bacteria, viruses, and fungi without bleach. Also effective in killing Hepatitis B, Hepatitis C, HIV, MRSA, Coronavirus, Parvovirus, and more! Citrus Sunrise fragrance. For use in pump, bottle, and electrostatic sprayers.
**Procon® Turquoise 3 Disinfectant**

---

**Health Care Disinfectant**
Hospital-grade, phenolic disinfectant and deodorant spray chemically neutralizes malodors. Kills HIV, Influenza 2, Herpes Simplex, TB, Polio Virus, MRSA, and more. Also controls mold and mildew. For use on all touch surfaces.

---

**PortionPac® Germicidal Detergent 205**
A one-step, hospital-grade germicidal cleaner used for general cleaning, disinfecting, deodorizing, and controlling mold and mildew on all hard, nonporous surfaces. No wiping required. EPA-registered concentrate has six-month shelf life after dilution. For use in pump sprayers, spray bottles, and mop buckets.

---

**Three-Sink System**
*Compartment Sink Sanitation System*
Aire-Master can set up an appropriate dish washing and sanitation system for you. We’ll install a proportioning system for dish detergent and sanitizer. For use with two-compartment and three-compartment sinks.

- We will train you. It’s quick and easy!
- We offer the best in soaps and sanitizers
- Never run out of dish cleaners again.
- Our concentrates save you money.
Proportioning System

Aire-Master’s proportioning system helps save you time and money safely. With our effective disinfectants and cleaner concentrates, you’ll have everything you need to tackle the toughest grime and odor. If you can turn a dial, you can operate our proportioning system.

**SIMPLE.** We’ll install your fool-proof proportioning system and provide on-site training.

**SAFE.** This system uses closed-looped technology that keeps chemicals safe from misuse and waste.

**SAVE.** Aire-Master’s Proportioning System adds the right amount of concentrated cleaner. One half-gallon concentrate makes up to 128 ready-to-use quarts!
A cleaning arsenal that tackles it all!

Experience big savings with Aire-Master’s concentrated cleaners and disinfectants. Use with our fool-proof proportion system to save you time and money.

PC1: All Purpose Cleaner and Degreaser
Cleans and degreases most hard surfaces. Use to remove dirt, grease, oil, and heavy soils.

PC2: Glass and Multi-Surface Cleaner
Cleans nonporous surfaces of grease, finger prints, and other soils that leave residue. Non-streak finish.

PC3: Floor and Hard Surface Cleaner
Especially developed for flooring and other nonporous surfaces. Cleans grease, oil, dirt and grime, food, beverage stains, and wax.

PC4: Carpet Spotter
Removes inks, paints, grease, varnish, polishes, tar, cosmetics, and more from most carpets, fabrics, and upholstery.

PC5: Air/Surface Deodorant
Eliminates odors caused by tobacco smoke, pets, cooking, trash, urine, feces, vomit, mold and mildew, and sewage.

ProCon: Turquoise 3 Disinfectant
Disinfests and cleans most nonporous surfaces, including fixtures. Mildewstat with fungicidal and virucidal activity.

Can Liners

Low Density (low d)
Polyethylene liner works best with lighter weight paper waste, shredding, and sharp items. Superior stretching ability.

High Density (high d)
Polyethylene liner for food, liquids, and heavier waste. Superior moisture and vapor barrier properties. Lower resistance for tears and stretching.

Insect Inn Ultra II and Fruit Fly Patrol
These units use UV light to draw flies and other insects in. They’re stuck and trapped permanently hidden from view. Perfect for use in kitchens and eating areas. Meets USDA & FDA guidelines. For small and large spaces.

Disposable Gloves

Vinyl Gloves
Ideal choice for applications that demand frequent changes. For short-term use.

Latex Gloves
Latex gloves remain the glove of choice for surgical and medical procedures. Note: some people have allergic reactions to latex.

Nitrile Gloves
The best replacement for latex, nitrile provides outstanding protection against chemicals. Puncture resistant.

Metered Aerosol System
Kill flying pests! Features auto-default mode that sprays every 15 minutes/24 hours a day! Contains Quest-On-Time Insecticide. EPA registered and meets USDA guidelines. No lingering odor.

Toilet Seat Covers
Provide toilet seat covers for health and safety. Plastic holder easily mounts to wall. Seat covers are safe for flushing. 250 count.
What is soap costing you?

Use the conversion table below and insert your cartridge price in the corresponding cartridge volume row to determine the true cost per gallon you are paying for soap. There are 3,785 milliliters per gallon.
