

Aire-Master CLEANING

Services and Products

Check with your Aire-Master representative to see if cleaning services are available in your area.

Cleaning solutions for your business— from top to bottom!

Many customers assess your quality standard based on your business's cleanliness. Aire-Master provides cleaning products for fixtures and floors where germs and odors develop. We also have EPA-registered, hospital-grade disinfectants that are safe for use on all surfaces.

Want a cleaning system that tackles it all?

Aire-Master's Proportioning system and cleaners make it easy to get the right amount of cleaner for every job. See page 18 for details.

Need additional restroom services?

We've got you covered. We regularly install and replace urinal screens, urinal/commode mats, or toilet tank cleaners. Details on pages 20 and 21.

Fixture Products

Fixture Polish

Give restroom fixtures a like-new shine. For use on toilets, urinals, sinks, dispensers, and chrome.

Splash Guard

Seals, protects, and keeps soils from adhering to sinks, toilets, and urinals. It won't crack, discolor, or build up.

Toilet Bowl Cleaners

White Lightning

Mild phosphoric acid-based bowl cleaner with special whitening agents. For use on toilet fixtures, tile, showers, fiberglass, and chrome.

Husky Non-Acid Cleaner 325

Thickened bowl and bathroom cleaner disinfects and deodorizes. Safe to use on chrome and sinks.

Husky Super 303

Powerful acid bowl cleaner for first-time cleanings and tough jobs. For use on vitreous china surfaces only. Do not use on chrome or metal.

To see the many ways to use Super Degreaser, scan the code.

airemaster.com/super-degreaser

Super Degreaser

Industrial Strength Concentrate

Removes grease, oil, wax, tar, and dirt. For use on all water-washable, hard surfaces. 1 gallon of concentrate can make up to 32 diluted ready-to-use gallons. Also for use in carpet and floor cleaning equipment.

Floor Products

Step Safe
reduces the
risk of slips
and falls!

Step Safe *Industrial Strength Concentrate*

Step Safe helps reduce the risk of costly falls in kitchens caused by cooking grease on floors. Contains grease-eating enzymes that continue to work long after floor is dry. Simply use bucket, mop, and squeegee daily and watch the grease disappear.

Floor Wash

Our concentrated, general purpose floor cleaner provides the cleaning power of orange oil. Quickly removes grease, oil, wax, tar, and grime from floors. Excellent for removing urine from tile and grout. Contains gentle cleansing peroxide.

Super Floor Wash

Our concentrated, acid floor cleaner quickly removes grease, oil, wax, tar and dirt from floors and walls. Low-foaming formula features fast-acting mild acids that are safe on floor tile, plastic drain pipes, septic and sewer systems. Use for the toughest floor and wall cleaning jobs.

Sanitizing Products

Procon® Turquoise 3 Disinfectant

An EPA-registered, hospital-grade concentrated disinfectant cleaner provides effective cleaning, deodorizing, and disinfecting of nonporous surfaces. Kills Hepatitis B, Hepatitis C, HIV, MRSA, Coronavirus, Parvovirus, and more. For use in pump and bottle sprayers and mop buckets. No wiping required. Six-month shelf life after dilution. Makes up to 128 ready-to-use quarts.

Phenomenal Hospital Disinfectant

Hospital-grade, phenolic disinfectant and deodorant spray chemically neutralizes malodors. Kills HIV, Influenza 2, Herpes Simplex, TB, Polio Virus, MRSA, and more. Also controls mold and mildew. For use on all touch surfaces.

PortionPac® Germicidal Detergent 205N

A one-step, hospital-grade germicidal cleaner used for general cleaning, disinfecting, deodorizing, and controlling mold and mildew on all hard, nonporous surfaces. No wiping required. EPA-registered concentrate has six-month shelf life after dilution. For use in pump sprayers, spray bottles, and mop buckets.

Three-Sink Compartment Sanitation System

Aire-Master can set up an appropriate dish washing and sanitation system for you. We'll install a proportioning system for dish detergent and sanitizer. For use with three-compartment sinks.

- We will train you. It's quick and easy!
- We offer the best in detergents and sanitizers.
- Never run out of dish cleaners again.
- Our concentrates save you money.

Cost-effective Proportioning System

Aire-Master's Proportioning System helps save you time and money safely. With our effective disinfectants and cleaner concentrates, you'll have everything you need to tackle the toughest grime and odor. If you can turn a dial, you can operate our proportioning system.

SIMPLE. We'll install your fool-proof proportioning system and provide on-site training.

SAFE. This system uses closed-looped technology that keeps chemicals safe from misuse and waste.

SAVE. Aire-Master's Proportioning System adds the right amount of concentrated cleaner. One half-gallon concentrate makes up to 128 ready-to-use quarts!

SAVE UP TO 75%

Highly concentrated cleaners that tackle it all!

Experience big savings when used with our Proportioning and Flexdose systems.

PC1: All Purpose Cleaner and Degreaser

Cleans and degreases most hard surfaces. Use to remove dirt, grease, oil, and heavy soils.

PC2: Glass and Multi-Surface Cleaner

Cleans nonporous surfaces of grease, finger prints, and other soils that leave residue. Non-streak finish.

PC3: Floor and Hard Surface Cleaner

Especially developed for flooring and other nonporous surfaces. Cleans grease, oil, dirt and grime, food, beverage stains, and wax.

PC4: Carpet Spotter

Removes inks, paints, grease, varnish, polishes, tar, cosmetics, and more from most carpets, fabrics, and upholstery.

PC5: Air/Surface Deodorant

Eliminates odors caused by tobacco smoke, pets, cooking, trash, urine, feces, vomit, mold and mildew, and sewage.

ProCon: Turquoise 3 Disinfectant

Disinfects and cleans most nonporous surfaces, including fixtures. Mildewstat with fungicidal and virucidal activity.

FlexDose® portable, waterless dispensing system

FlexDose makes ready-to-use cleaners easy and safe. Unique anti-reverse pull pump prevents users from under or over dosing a product. Using the SafeLink™ closed-loop inserts, it delivers the right amount of concentrate each and every time. For half-gallon and gallon concentrate chemicals. Also, use to fill spray bottles, mop buckets, sinks, and more.

Additional restroom services for a better customer experience

Installed and replaced regularly.

Wave Urinal Screen

Keeps urinal trap and drain from clogging. Contains enzymes and a fresh fragrance to prevent soil buildup and odors.

Splash Hog Urinal Screen

Vertical urinal screen protects floors and patrons by drastically reducing splash-back. Infused with our Black Bamboo scent.

Stingray Urinal Screen

Designed for restrooms with heavy traffic. Reduces urine splash-back. Infused with our Black Bamboo scent.

Urinal/Commode Mats

These effective mats absorb urine splashes and drips around urinals and toilets. Helps prevent bad odors and protects floors.

Pottie Blue Bowl Cleaner

Placed in the toilet tank to reduce soil build-up in tank and bowl. Contains water conditioner, deodorants, detergents, and blue coloring.

BioEnzymatic Treatment

Each service period Aire-Master will spray *You're N Control*® around toilets, urinals, and other fixtures. Its powerful enzymes eat away at all organic waste. Leaves a fresh clean scent.

Baby Stations

Each service visit, we will clean all surfaces of these changing tables, removing soils—using hospital-grade disinfectants to eliminate bacteria and germs.

Toilet Seat Covers

Provide toilet seat covers for health and safety. Plastic holder easily mounts to wall. Seat covers are safe for flushing. 250 count.

Check with your Aire-Master representative to see if cleaning services are available in your area.
