

Good **health** is in **your hands**

Aire-Master helps you make a great impression on your customers with our quality hand soaps and dispensers!

In today's crowded society, people are extremely concerned about their health when using public restrooms. Keeping themselves free from viruses and bacteria is one of their top priorities. Customers are relieved to see a clean, well-stocked restroom that provides great performing hand soaps. It leaves a positive impression on clientele and shows them they're valued.

Aire-Master provides you quality hand soaps and sanitizers to help your customers and employees stay clean and stop the spread of germs. We install and maintain our dispensers and keep them filled with our best soaps that include: pH balanced general-purpose soaps, antibacterial soaps, and sanitizers. We also have popular foaming soaps and sanitizers in a variety of options. We provide all this as part of our service—giving you one less thing to worry about.

Helping your guests stay clean and healthy doesn't have to cost a lot either. We can save you money in your budget with our cost-effective forms of packing: cartridges, closed-pouches, and bulk. We will help you decide what's best for you.

(See the back for details.)

► Did You Know?

Soap prevents the spread of germs and reduces costs associated with employee illness.

Aire-Master®

We'll **help** you choose the right hand soaps for your needs.*

General Purpose

Our pH balanced general purpose hand soaps provide a generous lather and contain moisturizers to prevent dry, chapped hands.

Antibacterial

These fast acting, broad-spectrum antimicrobial soaps kill staph and other germs on contact and remove bacteria from the hands.

Hand Sanitizers

Use our hand sanitizer to kill 99.99% of germs in seconds. Meets OSHA blood-borne pathogens standard.

Foaming Systems

Our foaming hand soaps come in a variety of types, including general purpose, antibacterial, and hand sanitizer.

* Many more styles available.

85% of germs are transmitted by the hands
