SCENT & ODOR CONTROL

Service

Aire-Master scents make it a breeze to remove odors!

Every Aire-Master scent is combined with our ground-breaking Odor Control deodorant. This deodorant eliminates odors at the molecular level instead of covering them up!

Whether odors in your business are from tobacco, marijuana, pets, food, or body odor, we can remove them and leave behind an inviting scent.

How Aire-Master Scent & Odor Control Service Works

We evaluate the size of your space, and any potential odor problems you might have and offer solutions to take care of them.

- No equipment to buy.
- We install a dispensing system for every area.
- We service the system and replace the scent every 28 days.

To maintain the quality of our scent products, we make them ourselves right here in the heart of America.

Ready to make your place smell amazing?

We'll help you choose the option that is right for you.

Small Spaces

Our small space scent and deodorant dispensers are ideal for restrooms, small offices and lobbies, entries, and short hallways.

Medium Spaces

These medium space scent dispensers easily handle meeting rooms, restaurants, large lobbies, clinics, waiting rooms and retail spaces.

Large Spaces

The large space scent dispensers are perfect for atriums, conference rooms, casinos, museums, airports and entertainment spaces.

Portable Option

The *Fresh Turn* portable unit is ideal for apartments, hotels, and nursing facilities. It neutralizes odors as needed in as little as 15 to 30 minutes!
