PAPER Service

Centerpull Paper Towels & Dispenser

Paper is still the safe, renewable resource that people prefer.

Studies show that paper towels are more sanitary than other drying methods.* We help you make a great impression on all your customers by making sure your restrooms always have the paper supplies they need. You'll never have to worry about running out.

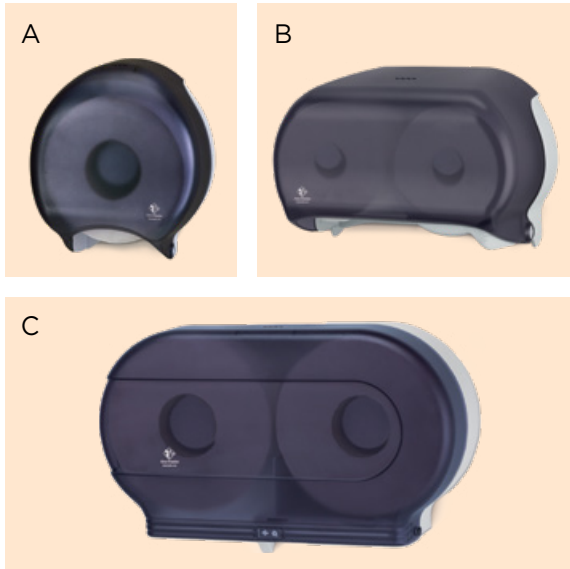

We have just the right quality paper and dispensers to meet your restroom demands—no matter how large or small.

How Aire-Master Paper Service Works

Aire-Master's Paper Service offers you the best in paper and dispensers. We will keep you well stocked, you don't have to do anything.

- We install and maintain equipment.
- We restock with each service visit.
- We also have facial tissues, toilet seat covers, feminine sanitary products, and can liners.

Keep customers happy with a well-stocked restroom!

Can Liners

Low Density (low d)

Polyethylene liner works best with lighter weight paper waste, shredding, and sharp items. Superior stretching ability.

High Density (high d)

Polyethylene liner for food, liquids, and heavier waste. Superior moisture and vapor barrier properties. Lower resistance for tears and stretching.

Disposable Gloves

Vinyl Gloves

Ideal choice for applications that demand frequent changes. For short-term use.

Latex Gloves

Latex gloves remain the glove of choice for surgical and medical procedures. Note: some people have allergic reactions to latex.

Nitrile Gloves

The best replacement for latex, nitrile provides outstanding protection against chemicals. Puncture resistant.

Insect Inn Ultra II and Fruit Fly Patrol

These units use UV light to draw flies and other insects in. They're stuck and trapped permanently hidden from view. Perfect for use in kitchens and eating areas. Meets USDA & FDA guidelines. For small and large spaces.

Metered Aerosol System

Kill flying pests! Features auto-default mode that sprays every 15 minutes/24 hours a day! Contains Quest-On-Time Insecticide. EPA registered and meets USDA guidelines. No lingering odor.

Toilet Seat Covers

Provide toilet seat covers for health and safety. Plastic holder easily mounts to wall. Seat covers are safe for flushing. 250 count.
